Subsequently, at the 72nd Ordinary General Meeting of Shareholders held on June 21, 2019, it was approved that, pursuant to the Plan, monetary remuneration claims not exceeding ¥100 million per year shall be paid to the Eligible Directors as monetary remuneration as properties contributed to acquire restricted stocks (the “Restricted Stock Remuneration”), and that the transfer restriction period for restricted shares shall be the period specified by the Board of Directors of the Company, which is a period between three to thirty years from the day on which such shares are allotted.

An overview of the Plan and other relevant details are shown below.

[Outline of the Plan]

Under the Plan, the Eligible Directors shall pay in all monetary remuneration claims provided by the Company as properties contributed in kind and receive the issuance or Disposal of the Company’s common stock. Under the Plan, the total number of shares of common stock of the Company that the Eligible Directors receive by issuance or Disposal by the Company shall be no more than 100,000 shares per year. The paid-in amount per share shall be determined by the Board of Directors based on the closing price of the Company’s common stock on the Tokyo Stock Exchange on the business day immediately preceding the date of each resolution by the Board of Directors (or the closing price on the trading day immediately prior thereto if no transaction is made on such business day) within the extent that the amount will not be particularly advantageous to Eligible Directors who will subscribe the Company’s common stock under the Plan.

Additionally, the Company has decided, restricted shares with transfer restriction period of thirty years to be allotted to Eligible Directors. Considering the purpose of the Plan, the Company's current business results, the scope of duties of Eligible Directors and Eligible Officers ("Eligible Directors & Officers"), and other factors, the Company has decided to grant a total of 23,727,600 yen as the monetary remuneration claim (the "Monetary Remuneration Claim") and 16,900 shares of the Company's common stock to Eligible Directors & Officers.

With the Disposal of Treasury Shares, 21 Eligible Directors & Officers, the planned allottees of shares, shall pay in all of the Monetary Remuneration Claim, which are claims against the Company, in the form of property contributed in kind for acquisition of the restricted shares, and shall receive the shares of the Company's common stock (the "Allotted Shares") pursuant to the Plan. With the Disposal of Treasury Shares, the overview of the restricted share allotment agreement (the "Allotment Agreement") to be entered into by and between the Company and Eligible Directors & Officers is shown in the following item 3.
