< COMMENTS > (YoY figures are on same store basis for the entire chain)

In June 2022, same-store and total-store sales both increased by 1.5% respectively from the same month in the previous year (LY). Factors of sales increase/decrease: 1) Sales of car electronics and accessories were weak strongly affected by the production decrease of new cars, but tires, oil, and batteries remained strong due to maintenance demand for existing cars. 2) Car Purchase & Sales exceeded the previous year which increased significantly by double digits due to strong business sales. 3) Number of weekends and national holidays, +0 from LY.

The data are preliminary for a quick release and are subject to revision.

*** Includes total store sales of AUTOBACS (includes Smart+1, AUTOBACS GARAGE), Super AUTOBACS(includes A PIT AUTOBACS), AUTOBACS Secohan Ichiba, and AUTOBACS CARS.
