< COMMENTS > (YoY figures are on same store basis for the entire chain)

In November 2019, same-store and total-store sales decreased by 3.9% and 3.8% respectively from the same month in the previous year (LY). Factors behind the percent changes were as follows. 1) An extra holiday compared to LY. 2) Decreased sales of tires due to the backlash of rush demand before the consumption tax hike, tire price increase and warm weather. 3) Continued strong sales of dashcams mainly high-priced devices which can record both front and back of the car, or 360-degree around the car. 4) Decreased sales of statutory safety inspection due to the decrease in the number of vehicles subject to statutory inspection.

In June 2019, same-store and total-store sales increased by 4.7% and 4.3% respectively from the same month in the previous year (LY). Factors behind the percent changes were as follows. 1) An extra Sunday compared to LY. 2) Increased sales of tires due to effective sales promotion and strong sales continued for dashcams. 3) Increased sales of statutory safety inspection and maintenance services according to increasing number of cars subject to statutory inspection and sales initiatives at stores. 4) Sales of car purchase and sales business fell below LY due to the decrease in BtoB sales despite the strong sales of new car and increased number of car purchasing via the Car Purchase Specialty stores.

< COMMENTS > (Yoy figures are on same store basis for the entire chain)

In July 2019, same-store and total-store sales increased by 2.9% and 3.0% respectively from the same month in the previous year (LY). Factors behind the percent changes were as follows. 1) One less Sunday compared to LY. 2) Increased sales of tires due to the announcement of price increase coming in October. Also, strong sales continued for dashcams. 3) Increased sales of statutory safety inspection and maintenance services according to increasing number of cars subject to statutory inspection and sales initiatives at stores. 4) Sales of car purchase and sales business increased due to the strong sales of new cars and strong sales to business customers through the increase in purchase numbers.

< COMMENTS > (Yoy figures are on same store basis for the entire chain)

In August 2019, same-store and total-store sales increased by 10.7% and 11.1% respectively from the same month in the previous year (LY). Factors behind the percent changes were as follows. 1) One additional Saturday and one extra Holiday compared to LY. 2) Soaring sales of dashcams after the news reports about dangerous driving such as tailgating. Also, strong sales continued for tires along with the announcement of price increase coming in October. 3) Solid sales of statutory safety inspection and maintenance services according to increasing number of cars subject to statutory inspection, and sales initiatives at stores. 4) Rising number of cars sold at car purchase and sales business compared to LY due to strong sales of new cars, and strong sales to business customers backed by the increasing number of car purchasing.

< COMMENTS > (Yoy figures are on same store basis for the entire chain)

In September 2019, same-store and total-store sales increased by 41.4% and 41.7% respectively from the same month in the previous year (LY). Factors behind the percent changes were as follows. 1) One less Saturday compared to LY. 2) Growing number of customers as a result of last-minute shopping before the consumption tax hike. 3) Strong sales of tires as the announcement of price increase from October caused increased demands, and continuing robust sales of dashcams after the news reports about dangerous drivings such as tailgating. 4) Surging number of cars sold at car purchase and sales business compared to LY due to strong sales of new cars before the consumption tax hike.

< COMMENTS > (Yoy figures are on same store basis for the entire chain)

In October 2019, same-store and total-store sales decreased by 16.2% and 15.8% respectively from the same month in the previous year (LY). Factors behind the percent changes were as follows. 1) An extra holiday compared to LY. 2) The significantly reduced number of customers due to the backlash of rush demand before the consumption tax hike and tire price increase in addition to the impact of the typhoon and the bad weather. 3) Decrease in sales of all merchandise category, excluding car electronics, which sales of dashcams continued to be strong. 4) Decreased sales of statutory safety inspection due to the fact that vehicle inspection demand has surged ahead in September before the consumption tax hike and the decrease in the number of vehicles subject to statutory inspection.
